Title:	Commissioning Framework
Summary:	<p>The Young People's Service is currently reviewing its potential commissioning arrangements for future years by completion of a detailed needs analysis and evaluation of current commissioned activity. Procurement will be dependent on available funds yet to be determined. In particular this work will inform the development of procurement arrangements which should be established from April 2014 to replace the current Funding Framework for Targeted Youth Support and Youth Work which ends on 31 March 2014.</p> <p>The findings from this review will form the basis for the report requesting approval to the development of a comprehensive and robust commissioning framework for future years. In line with Early Support it is anticipated that this replacement scheme may take the form of a 'Framework Agreement'.</p>
