

Statutory Notice of Forthcoming Executive Key Decision

Published in Accordance with The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ("the Regulations")

Title:	Social Value Policy and Framework
Summary:	<p>The draft Social Value Policy and Framework sets out the legal context for social value and the proposed approach for the County Council to deliver social value through its commissioning and procurement activities.</p> <p>The aim of the policy is not to alter the commissioning and procurement processes, but to ensure that the County Council gives consideration to the wider impact of the service's delivery in line with the requirements of the Public Services (Social Value) Act 2012. The policy will enable the County Council to demonstrate more effectively how the choice of a supplier through a tendering process not only provides the most economically advantageous service, but one which also secures wider benefits for the community.</p> <p>This is deemed to be a Key Decision and the provisions of Standing Order No. 25 have been complied with.</p>
Decision-Maker:	County Councillor Jennifer Mein, Leader of the County Council
