1. Apologies and Announcements

Apologies for absence were received from County Councillors Noordad Aziz, Samara Barnes and Stewart Jones.

County Councillors Munsif Dad, Lian Pate and John Potter joined the meeting virtually.

Recognitions

At the invitation of the Chairman, County Councillor Michael Green, Cabinet Member for Health and Wellbeing, drew Full Council's attention to the recent success by the Trading Standards Service which had won the Chartered Trading Standards Institute Megan Lee Hero Award for 2024.

David Scott, Gary Singleton, Caroline Brimble and Jeanette Gurney from the Trading Standards Service, joined the meeting virtually.

At the invitation of the Chairman, County Councillor Cosima Towneley, Cabinet Member for Children and Families, drew Full Council's attention to the recent success by Alexandra House, Lancaster, which offers overnight breaks for children with severe and profound disabilities, and which had recently been awarded its 14th consecutive 'Outstanding' grading by OFSTED.

John-Paul Adamson, Registered Manager, Alexandra House, joined the meeting virtually.

Devolution Update

At the invitation of the Chairman, the Leader of the Council updated Full Council on Devolution and the establishment of a Combined County Authority.

Cards for Kindness

At the invitation of the Chairman, the Leader of the Council drew Full Council's attention to the 'Cards for Kindness' initiative which was first established in 2018 and encouraged members of the public to write cards for residents of care homes. Cards could be dropped off at libraries or participating homes anytime between now and Christmas.

Care Leavers Exhibition

At the invitation of the Chairman, County Councillor Cosima Towneley, Cabinet Member for Children and Families, drew Full Council's attention to the Care Leavers Exhibition on display in the Platinum Jubilee Hall. The exhibition had been created by Lancashire's care experienced young people and some of the organisations that support them.

2. Disclosure of Pecuniary and Non-Pecuniary Interests

None declared.

3. Public Question Time

No questions were submitted.

4. Question Time

County Councillors Peter Britcliffe, Matthew Maxwell-Scott, Sue Whittam, Scott Smith and Charlie Edwards asked their questions as follows:

| No. | Question From | Subject | For Answer By |
|-----|---|--|--|
| 1. | County Councillor Peter Britcliffe | Access to Lancashire County Council Services | Cabinet Member for Adult Social Care |
| 2. | County Councillor Matthew Maxwell-Scott | Convention of the North | Leader of the Council |
| 3. | County Councillor Sue Whittam | Heritage Open Days at County Hall | Cabinet Member for Community and Cultural Services |
| 4. | County Councillor Scott Smith | Supporting Businesses in Lancashire | Cabinet Member for Economic Development and Growth |
| 5. | County Councillor Charlie Edwards | Crowdfund Lancashire | Cabinet Member for Community and Cultural Services |

County Councillor Graham Gooch, Cabinet Member for Adult Social Care; County Councillor Phillippa Williamson, Leader of the Council; County Councillor Peter Buckley, Cabinet Member for Community and Cultural Services; County Councillor Aidy Riggott, Cabinet Member for Economic Development and Growth, replied.

Due to a time limit of 30 minutes for Question Time, the following question was not asked and was subject to a written response by the relevant Cabinet Member, copied to all councillors.

| | | | |
|----|--------------------------------|----------------------------------|---|
| 6. | County Councillor Gina Dowding | Climate and Ecological Emergency | Cabinet Member for Environment and Climate Change |
|----|--------------------------------|----------------------------------|---|

5. Confirmation of the Minutes from the Meeting held on 17 October 2024

Resolved: - That the Minutes of the meeting held on 17 October 2024 be confirmed and signed by the Chairman.

6. Report of the Cabinet (Part A) - Lancashire County Council Plan 2025-30: Building a Better Lancashire

County Councillor Phillippa Williamson moved a report setting out the recommendation of the Cabinet from its meeting held on 5 December 2024 in respect of the Lancashire County Council Plan 2025-30: Building a Better Lancashire.

Resolved: - That the Lancashire County Council Plan 2025-30: Building a Better Lancashire, as set out at Annex 1 of the report, now presented, be approved.

7. Report of the Audit, Risk and Governance Committee - Appointment of an Independent Co-opted Member

County Councillor Alan Schofield moved a report setting out the recommendation of the Audit, Risk and Governance Committee from its meeting held on 14 October 2024 regarding the appointment of an independent co-opted member.

Resolved: - That the appointment of Mr Stephen Dunstan to the role of independent co-opted member on the Audit, Risk and Governance Committee for an initial two-year term from 12 December 2024, as set out in the report, now presented, be approved.

8. Report of the Independent Remuneration Panel - 2024/25 Members' Allowance Scheme

County Councillor Alan Vincent moved a report setting out the recommendation of the Independent Remuneration Panel in relation to the council's Members' Allowance Scheme for 2024/25 following the Panel's meeting on 29 November 2024.

Resolved: - That:

- (i) The recommendations of the Independent Remuneration Panel, as set out in the report, now presented, relating to the county council's Members' Allowance Scheme, be noted.
- (ii) The revised Members' Allowance Scheme for 2024/25, as set out at Appendix 'A' of the report, now presented, be approved.

9. Lancashire Combined County Authority - Appointments

County Councillor Alan Vincent moved a report setting out proposals for the approval of formal appointments to the Lancashire Combined County Authority and its committees.

Resolved: - That, subject to approval by Parliament of the Lancashire Combined County Authority Regulations 2024:

- (i) The appointment of County Councillors Phillippa Williamson and Alan Vincent as the county council's representatives on the Lancashire Combined County Authority until the Full Council AGM in 2025, as set out in the report, now presented, be approved.
- (ii) The Director of Law and Governance, in consultation with the relevant political groups, be authorised to approve the county council's representatives on the Lancashire Combined County Authority Scrutiny and Audit Committees.

10. Report of the Cabinet (Part B)

County Councillor Phillippa Williamson moved the report of the Cabinet from its meeting on 14 November 2024.

Resolved: - That the report of the Cabinet, now presented, be noted.

11(a) The Audit, Risk and Governance Committee

County Councillor Alan Schofield moved the report of the Audit, Risk and Governance Committee from its meeting on 14 October 2024.

Resolved: - That the report of the Audit, Risk and Governance Committee, now presented, be noted.

11(b) The Employment Committee

County Councillor Phillippa Williamson moved the report of the Employment Committee from its meeting on 14 November 2024.

Resolved: - That the report of the Employment Committee, now presented, be noted.

11(c) The Overview and Scrutiny Committees

County Councillor David Westley moved the report of the Overview and Scrutiny Committees from their meetings as follows:

- Scrutiny Management Board (13 November 2024)
- Children, Families and Skills (6 November 2024)
- Community, Cultural and Corporate Services (31 October 2024)
- Environment, Economic Growth and Transport (24 October 2024)
- Health and Adult Services (30 October 2024)

Resolved: - That the report of the Overview and Scrutiny Committees, now presented, be noted.

11(d) The Lancashire Health and Wellbeing Board

County Councillor Michael Green moved the report of the Lancashire Health and Wellbeing Board from its meeting on 12 November 2024.

Resolved: - That the report of the Lancashire Health and Wellbeing Board, now presented, be noted.

12. To consider Notices of Motion Submitted under Standing Order B37

Notice of Motion 1

It was moved by County Councillor David O'Toole and seconded by County Councillor John Shedwick that:

Lancashire Fire and Rescue Service is rated outstanding and was awarded the Fire Service of the Year Award in 2023. They have transformed the way they fight fires

using aerial intelligence by leading nationally on the use of drones, and since expanded the use of drones in underwater searches. They also lead on canine innovation with the introduction of dogs and handlers in search and rescue operations both at home and worldwide emergencies.

In May 2018 this Council supported a Notice of Motion to keep the Fire Authority separate from the control of the then Police and Crime Commissioner (PCC) Clive Grunshaw, and over the last three years this Council was safe in the knowledge that this was supported by the recent PCC, Andrew Snowden.

This Council resolves:

- (i) To ask the Interim Chief Executive to write to the current PCC for confirmation that he supports the continuing independence of the Fire and Rescue Authority from the Police.
- (ii) To ask the Interim Chief Executive to write to the Minister for Crime, Policing and Fire and all Lancashire MPs to seek their support for our outstanding Lancashire Fire and Rescue Service, and their commitment to the service remaining independent from the Police.

The following Amendment was proposed by County Councillor Nikki Hennessy and seconded by County Councillor Sean Serridge:

To delete the following:

"In May 2018 this Council supported a Notice of Motion to keep the Fire Authority separate from the control of the then Police and Crime Commissioner (PCC) Clive Grunshaw, and over the last three years this Council was safe in the knowledge that this was supported by the recent PCC, Andrew Snowden".

And to amend the start of resolution (i) to read:

"To ask the
Chair of the Lancashire Fire Authority and the Interim
Chief Executive to write to the current PCC....."

Following a period of debate and on being put to the vote, the Amendment was LOST.

There being no further Amendments, the substantive Motion was put to the vote and in accordance with Standing Order B46(6), a recorded vote was taken. The names of the county councillors who voted for or against the Motion and those who abstained are set out below:

For (73)

| | | | | |

Abstain (0)

The substantive Motion was CARRIED. It was therefore:

Resolved: - That:

Lancashire Fire and Rescue Service is rated outstanding and was awarded the Fire Service of the Year Award in 2023. They have transformed the way they fight fires using aerial intelligence by leading nationally on the use of drones, and since expanded the use of drones in underwater searches. They also lead on canine innovation with the introduction of dogs and handlers in search and rescue operations both at home and worldwide emergencies.

In May 2018 this Council supported a Notice of Motion to keep the Fire Authority separate from the control of the then Police and Crime Commissioner (PCC) Clive Grunshaw, and over the last three years this Council was safe in the knowledge that this was supported by the recent PCC, Andrew Snowden.

This Council resolves:

- (i) To ask the Interim Chief Executive to write to the current PCC for confirmation that he supports the continuing independence of the Fire and Rescue Authority from the Police.
- (ii) To ask the Interim Chief Executive to write to the Minister for Crime, Policing and Fire and all Lancashire MPs to seek their support for our outstanding Lancashire Fire and Rescue Service, and their commitment to the service remaining independent from the Police.

Notice of Motion 2

It was moved by County Councillor Sue Whittam and seconded by County Councillor Charles Edwards that:

Lancashire's Family Hubs are vital in supporting children, young people and families to succeed in life. Early education in oral hygiene is a core offer at our Family Hubs and good dental hygiene contributes to long-term health, overall wellbeing and plays an important role in childhood development such as early speech and socialisation. The effects of poor dental health continue to contribute to poor health with age and future problems are already signalled through the levels of tooth decay clearly exhibited as infants and young people throughout our communities. In Lancashire, the average number of teeth (1.16) affected by decay per child is significantly worse than the England average (0.80), whilst 27.4% of Lancashire 5-year-olds display obvious, visible dental decay as opposed to the average of 23.7%.

This Council resolves to ask the Interim Chief Executive to:

- (i) Write to the Minister for Children, Families and Wellbeing to seek assurance that Lancashire will receive tangible support and secure funding for the ongoing pioneering work of our self-funded Family Hubs.
- (ii) Write to the Secretary of State for Health and Social Care and the Chief Executive of NHS England to request immediate discussions to extend the scope of the National Contract to increase availability of dental care for Lancashire residents through the inclusion of academic institutions with dental training programmes within our footprint.
- (iii) Write to Chief Executive of NHS England to ask for continued commitment and funding to the 'Smile4life' programme as part of the NHS Dental Recovery Plan.

On being put to the vote the Motion was CARRIED.

It was therefore:

Resolved: - That:

Lancashire's Family Hubs are vital in supporting children, young people and families to succeed in life. Early education in oral hygiene is a core offer at our Family Hubs and good dental hygiene contributes to long-term health, overall wellbeing and plays an important role in childhood development such as early speech and socialisation. The effects of poor dental health continue to contribute to poor health with age and future problems are already signalled through the levels of tooth decay clearly exhibited as infants and young people throughout our communities. In Lancashire, the average number of teeth (1.16) affected by decay per child is significantly worse than the England average (0.80), whilst 27.4% of Lancashire 5-year-olds display obvious, visible dental decay as opposed to the average of 23.7%.

- (ii) Write to the Secretary of State for Health and Social Care and the Chief Executive of NHS England to request immediate discussions to extend the

scope of the National Contract to increase availability of dental care for Lancashire residents through the inclusion of academic institutions with dental training programmes within our footprint.

- (iii) Write to Chief Executive of NHS England to ask for continued commitment and funding to the 'Smile4life' programme as part of the NHS Dental Recovery Plan.

Notice of Motion 3

It was moved by County Councillor Mark Clifford and seconded by County Councillor Steve Holgate that:

Following the Labour Party's great success in the July 2024 general election, the new Labour Government has announced Britain will become a clean energy superpower by 2030. The devolution deal for Lancashire will also mean the Combined County Authority receiving £20 million in capital funding to support local priorities, including innovation led growth and net zero ambitions across Lancashire.

Therefore, this Council resolves to:

- (i) Continue to support and promote local community net zero heat and energy partnerships via the Northwest Community Energy Fund on behalf of the Northwest Net Zero Hub and the Department for Energy Security and Net Zero (DESNZ).
- (ii) Prioritise net zero by investing and accelerating our own clean energy production on Council owned land and assets including solar and onshore wind turbines with extra energy production being used to supply local businesses and homes. Example - Central Lancashire Development, etc.
- (iii) Urge the Lancashire Combined County Authority to use its new devolution powers in adult education to upskill our workforce ready for the Net zero green job revolution.

The following Amendment was proposed by County Councillor Shaun Turner and seconded by County Councillor Ash Sutcliffe:

Following the Labour Party's victory in the July 2024 general election, the new Labour Government has announced Britain will become a clean energy superpower by 2030.

This Council notes:

- (i) The historic Lancashire Devolution transfers new powers and funding to the Lancashire Combined County Authority to support businesses and residents across Lancashire, alongside £20 million of capital funding to invest in local priorities including innovation led growth and net zero ambitions across Lancashire.
- (ii) The Prime Minister's recently announced new mission to put the country on track for at least 95% clean power by 2030, a watering down of his manifesto promise prior to the general election.

Therefore, this Council resolves to:

- (i) Continue to support and promote local community net zero heat and energy partnerships via the Northwest Community Energy Fund on behalf of the Northwest Net Zero Hub and the Department for Energy Security and Net Zero.
- (ii) Prioritise net zero and continue to implement the findings of the County Council's own 2023 Low Carbon Feasibility Study on Council owned land and assets including solar and onshore wind technologies.
- (iii) Request the Interim Chief Executive to write to:
 - the Combined County Authority, once formally constituted, to urge it to use its new devolution powers in adult education to continue to prioritise upskilling our workforce ready for the Net Zero green job revolution.
 - the Secretary of State for Energy Security and Net Zero to seek a further £1.8m allocation for Northwest Net Zero Hub, matching the allocation awarded by the previous Conservative Government.

Following a brief adjournment and period of debate and on being put to the vote, the Amendment was CARRIED. The Amendment therefore became the substantive Motion.

There being no further Amendments, the substantive Motion as amended was put to the vote and in accordance with Standing Order B46(6), a recorded vote was taken. The names of the county councillors who voted for or against the Motion and those who abstained are set out below:

For (47)

| | | | | |
|---------------|-----------------|---------------|-----------|------------|

Beavers

The substantive Motion was therefore CARRIED and it was:

Resolved: - That:

Following the Labour Party's victory in the July 2024 general election, the new Labour Government has announced Britain will become a clean energy superpower by 2030.

This Council notes:

- (i) The historic Lancashire Devolution transfers new powers and funding to the Lancashire Combined County Authority to support businesses and residents across Lancashire, alongside £20 million of capital funding to invest in local priorities including innovation led growth and net zero ambitions across Lancashire.
- (ii) The Prime Minister's recently announced new mission to put the country on track for at least 95% clean power by 2030, a watering down of his manifesto promise prior to the general election.

Therefore, this Council resolves to:

- (i) Continue to support and promote local community net zero heat and energy partnerships via the Northwest Community Energy Fund on behalf of the Northwest Net Zero Hub and the Department for Energy Security and Net Zero.
- (ii) Prioritise net zero and continue to implement the findings of the County Council's own 2023 Low Carbon Feasibility Study on Council owned land and assets including solar and onshore wind technologies.
- (iii) Request the Interim Chief Executive to write to:
 - the Combined County Authority, once formally constituted, to urge it to use its new devolution powers in adult education to continue to prioritise upskilling our workforce ready for the Net Zero green job revolution.
 - the Secretary of State for Energy, Security and Net Zero to seek a further £1.8m allocation for Northwest Net Zero Hub, matching the allocation awarded by the previous Conservative Government.

Notice of Motion 4

It was moved by County Councillor Ash Sutcliffe and seconded by County Councillor Scott Smith that:

Council recognises that the maintenance and repair of infrastructure placed in/under the Highway by the statutory undertakers is necessary to ensure the continuous provision of vital services to Lancashire residents. Council further recognises the hard work of highways officers in holding statutory undertakers to account and

applying strict conditions to permits issued by them. However, Council considers that the current level of inconvenience caused to residents by streetworks is far too great, and that an increase in the level of the fixed penalties and charges that Lancashire County Council is able to levy would incentivise statutory undertaker contractors to complete work in a more timely manner and with less disruption for residents. Council therefore resolves to:

- (i) Request that the Interim Chief Executive writes to the Secretary of State for Transport, requesting that the level of fixed penalties and section 74 charges that may be levied upon statutory undertaker contractors carrying out work in the highway be increased.
- (ii) Request that the Interim Chief Executive's letter makes clear to the Secretary of State that any increase in section 74 charges and fixed penalties must not be passed on to customers through higher utility bills.

The following friendly Amendment was proposed by County Councillor John Fillis in accordance with Standing Order B43:

To add Resolution (iii) as follows:

"That any funds raised due to increases in section 74 charges and fixed penalties should be used specifically to fix potholes".

Following a brief adjournment, the friendly Amendment was accepted by County Councillor Sutcliffe and became the substantive Motion as follows:

Council recognises that the maintenance and repair of infrastructure placed in/under the Highway by the statutory undertakers is necessary to ensure the continuous provision of vital services to Lancashire residents. Council further recognises the hard work of highways officers in holding statutory undertakers to account and applying strict conditions to permits issued by them. However, Council considers that the current level of inconvenience caused to residents by streetworks is far too great, and that an increase in the level of the fixed penalties and charges that Lancashire County Council is able to levy would incentivise statutory undertaker contractors to complete work in a more timely manner and with less disruption for residents. Council therefore resolves to:

- (i) Request that the Interim Chief Executive writes to the Secretary of State for Transport, requesting that the level of fixed penalties and section 74 charges that may be levied upon statutory undertaker contractors carrying out work in the highway be increased.
- (ii) Request that the Interim Chief Executive's letter makes clear to the Secretary of State that any increase in section 74 charges and fixed penalties must not be passed on to customers through higher utility bills.
- (iii) That any funds raised due to increases in section 74 charges and fixed penalties should be used specifically to fix potholes.

The following Amendment was proposed by County Councillor Scott Smith and seconded by County Councillor Rupert Swarbrick:

To amend resolution (iii) to read as follows:

"That any funds raised due to increases in section 74 charges and fixed penalties should be used specifically to improve our highways and fix potholes"

Following a period of debate and on being put to the vote, the Amendment was CARRIED.

There being no further Amendments, the substantive Motion was put to the vote and was CARRIED.

It was therefore:

Resolved: - That:

Council recognises that the maintenance and repair of infrastructure placed in/under the Highway by the statutory undertakers is necessary to ensure the continuous provision of vital services to Lancashire residents. Council further recognises the hard work of highways officers in holding statutory undertakers to account and applying strict conditions to permits issued by them. However, Council considers that the current level of inconvenience caused to residents by streetworks is far too great, and that an increase in the level of the fixed penalties and charges that Lancashire County Council is able to levy would incentivise statutory undertaker contractors to complete work in a more timely manner and with less disruption for residents. Council therefore resolves to:

- (i) Request that the Interim Chief Executive writes to the Secretary of State for Transport, requesting that the level of fixed penalties and section 74 charges that may be levied upon statutory undertaker contractors carrying out work in the highway be increased.
- (ii) Request that the Interim Chief Executive's letter makes clear to the Secretary of State that any increase in section 74 charges and fixed penalties must not be passed on to customers through higher utility bills.
- (iii) That any funds raised due to increases in section 74 charges and fixed penalties should be used specifically to improve our highways and fix potholes.

13. Urgent Business

There was no urgent business to be considered.

14. Louise Taylor, Executive Director of Adult Services

The Chairman informed Full Council that this was the last Full Council meeting for Louise Taylor, Executive Director of Adult Services, who would be retiring at the end of the year. The Chairman, on behalf of Full Council, thanked Louise for her outstanding service to the county council and the people of Lancashire and wished her well for the future.

Mark Wynn
