Agenda

1. Intros and games (1.00pm)

Young People

- Introduction of agenda and golden rules (5 mins)
- Introduction of all people involved (we need to know every ones name for the first game!) (5mins)
- Zombies game – Every one stands in a circle and 1 person volunteers to be a zombie, they then have to choose someone in the circle to make into a zombie by touching them on their shoulders, they then become a zombie – the only way to stop becoming a zombie is to shout out someone else's name in the circle so the zombie will change direction to them instead. (10 mins)

2. Topic 1 - What LINX have been doing (1.20pm)

Young People

- YP to give a report on their London Trip (photos will be shown) YP to give a report on their Rock FM Trip (radio advert will be played).
- YP will then speak about what other things they have done and upcoming events – Craig Whittaker, Children's Rights Event.

3. Topic 2 - CPB (1.30pm)

Young People

- Each person is given a piece of a jigsaw they then have to stand up and find the other pieces that match their jigsaw. Each jigsaw then explains a question their group needs to answer about the CPB eg. What makes a good CPB or How could we improve CPB.
- The groups then complete a paper carousel activity where they pass their answers to another group for them to either agree with, add to or challenge, this happens until the paper returns to its original place and the group feeds back what everyone has added.

4. Rosie Hunter - A National Voice (2.00pm)

Young People

5. Topic 3 - Diamond Ranking (2.15pm)

Young People

- Each table will be joined by a YP and together they will come up with their 5 top topics that are important to Children in Care. Each group will then feedback their ideas (some may be the same). As a larger group they will then decide which they think are the top 9 issues.
- Once the top 9 issues have been agreed the group will then rank them in the diamond ranking system (which will be explained), from this we can then focus down what the top issues are that the YP would like to focus their attention on and for LINX and the CPB to action.
