<b>Summary:</b>	Design work and the progression of the planning application is ongoing for widening the A582/B5253 South Ribble Western Distributor. To maintain programme milestones and to ensure the scheme can be delivered, it is essential that the County Council has possession of all the necessary land. Early contact has been made with the landowners however, agreement may not be achievable in time or at all in addition it is likely that there will be a few small areas where the land ownership is unknown.
