#### **Background and Advice**

Following the corporate approach to reporting on risk and opportunity, the quarter 3 Risk and Opportunity register was recently reported to Management Team.

Following this the report was presented to Cabinet Committee on Performance Improvement on 5<sup>th</sup> December 2016. An updated Risk and Opportunity Register is attached at Appendix A and the Committee is asked to comment upon it.

The key highlights in the register include:

- for this quarter there are no additions or deletions to the register;
- allowing for mitigating actions, the residual risk score for the following entries remain 12 or above so the issue remains on the register:

### **Implications:**

This item has the following implications, as indicated:

### **Risk management**

Good governance enables an authority to pursue its vision effectively as well as underpinning that vision with sound arrangements for control and management of risk. An Authority must ensure that it has a sound system of internal control which

includes effective arrangements for the management of risk. Failure to develop and maintain a Corporate Risk & Opportunity Register means the Council would be negligent in its responsibilities for ensuring accountability and the proper conduct of public business
