

Health and Wellbeing Strategy Engagement

Background

At the last Health and Wellbeing Board meeting (9th May 2012) it was decided that all the Board members as part of their leadership role would engage partners in the development of the strategy.

An engagement paper was written which was agreed to be distributed by the Board members to partners, stakeholder etc The Strategy engagement paper outlined:

- The purpose of the strategy and how the Board would work to deliver outcomes
- Shifts in the way partners would work
- Priority health and wellbeing outcomes in Lancashire

The engagement paper also proposed two questions for stakeholders to comment on:
