4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

Newburgh Fair has a procession through the village streets which requires the main A5209 road to be closed. We seek the grant to help pay for the costs of road closure and associated insurance.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section - 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

This is a special year for Newburgh fair as it is its 60th anniversary with around 2000 visitors expected from West Lancashire. The money will help stage the procession for the benefit of Newburgh residents and its visitors, (including particularly the elderly living on the procession route who may be unable to attend the fair)

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period of time.

The fair and its procession will continue through its own fundraising activities which will include a popular Easter Egg hunt for children of Newburgh and nearby villages.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.

Start Date	End Date
Expenditure will be made by 31 March 2017	(to cover the event in June)

4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.

See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.
