Report submitted by: Director of Public Health and Wellbeing

Date: 31 January 2017

Title of Report: Delivery of the Healthy Child Programme

Brief Description:

This report sets out recommendations for the delivery of the Programme, joining up the public health services for our children and young people with the wider services that the Council provides.

This is deemed to be a Key Decision and the provisions of Standing Order No. 25 have been complied with.

Recommendation:

The Cabinet Member for Health and Wellbeing, the Cabinet Member for Children, Young People and Schools, and the Deputy Leader of the County Council are asked to approve the recommendations as set out in the full report.

The full report is not available for publication as it contains exempt information as defined in Paragraphs 3 and 5 of Part 1 of Schedule 12A to the Local Government Act 1972. The report contains information relating to the financial or business affairs of any particular person (including the authority holding that information) and information in respect of which a claim to legal professional privilege could be maintained in legal proceedings. It is considered that in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
