<b>Total Amount Requested</b>	£500

**4.3 What are you going to spend the grant on?**

*You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.*

The grant will be spent on materials needed to improve the garden area at Mawdesley St.Peter's CofE Primary School. As the PTA we are keen to help the school create an outdoor space that can be used for learning and enhances the natural environment of the village of Mawdesley.

The first stage of our new garden project will be to purchase materials – timber, membrane ground cover and top soil.

#### **4.4 How will the money benefit people in the Councillor(s) division(s)?**

*See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.*

The purchase of materials will go towards the transformation of the school garden. The materials will replace damaged pathways, strengthen the ground around the planting beds and enable the grass to be reseeded. In addition to this we are going to be redesigning the garden to make it much more of a functional space with new distinct areas for outside learning, relaxation and wellbeing, and improving natural habitats.

The wider community of the school – parents and friends will be involved in helping us to transform the space. The school has already started on repairing the pond and parents have volunteered 18 hours so far. We will build on this support and aim to involve other people in the village with an interest in the natural environment. We will do this by having community open days, providing mugs of tea in return for hard work. This project gives a great opportunity for the school to connect more with the local community and vice versa.

Central to the design of the new garden is willow and weaving. Even though the LMG will not directly fund the willow element of our new garden, by enabling us to purchase the other materials detailed above, means we can create a more meaningful design to benefit the school and the village. Willow weaving is a craft that is very much a part of Mawdesley's heritage although there are no weavers that we know of still practicing in the village. Within our garden open days, we aim to reignite interest and skills by inviting the local community to take part – particularly older people living in Hurst Green which borders the school. Our new garden area will give opportunity for the wider community to participate in something creative, fun and very sociable and by creating something (a bird, flower or a planter) to take home, enhance their own green spaces.

#### **4.5 What is the total cost of the activity?**

*For example this is the amount it will cost to buy the equipment/hold the whole event.*

£9700

#### **4.6 How much are you applying for from the Local Member Grants Scheme?**

£ 500.00

**4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it is secured at the time of your application.**

*The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.*

**4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.**

*It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period of time.*

The redesign of the garden will still go ahead but without the full grant the scope and impact of both the finished garden and the process of making it will be significantly reduced. In addition to volunteer time from the local community and the PTA, the LMG will make a significant contribution to our plans for the garden. If our application is supported, it will enable us to build the bigger project around the LMG and without it we would look to basic renovation of the garden rather than adding in the other more involved elements.

**4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?**

*Please note you must spend the funds in the current financial year.*

Start Date	End Date

**4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.**

*See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.*
