These will be used when reporting on Leyland Festival, other outdoor events (such as Christmas in Leyland, Leyland Food Fayre), in planned programmes involving audience participation and in sports commentating (they add flexibility and avoid the hazard of trailing wires).

2. Set of 3 dynamic microphones for studio use.

<https://www.amazon.co.uk/Behringer-XM1800S-Ultravoice-Microphone-slightly/dp/B000NJ2TIE>

We currently have everything required to equip a studio based in Tomlinson Road, Leyland (temporary but with an expectation of longer-term - and possibly permanent - use), with the sole exception of studio microphones. Our intention is to equip Tomlinson Road as a main studio for general use, while continuing to maintain our other set of equipment (which includes the compact / easily-transportable computer to which Cllr Tomlinson's earlier grant contributed) for pre-recording, training, mobile studio use and backup/fall-back purposes.

3. Three XLR cables to connect the above microphones.

**4.4 How will the money benefit people in the Councillor(s) division(s)?**

The radio project operates on a non-profit basis and aims for wide participation in Leyland Central (for which we provide free training). It develops new links within the community, provides a platform for the dissemination of local news and information on third-sector activities and the exchange of local opinion. It does this through the medium of online radio (and, subject to a successful application this spring, by means of Ofcom-licensed FM broadcast radio). The funding requested will assist us to achieve community cohesion benefits and social gain.

*For example this is the amount it will cost to buy the equipment/hold the whole event.*

~~£250~~

£249.

~~£ 250~~ £249.

**4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it is secured at the time of your application.**

It is possible to scale down – e.g.

- a two-mic wireless set at a lower price point & quality
