FOGG intend to plant 18 semi mature trees on the village green which will not only enhance the aesthetic look of the green but should help with the continuance of the biodiversity within the area. FOGG have over a number of years sought to make the village green as an asset for the use of residents and visitors alike which has culminated this year in winning the Lancashire Best Kept Village green award in 2016. This has only been achieved with the residents in mind by creating a usable, friendly, but pleasing to the eye, village green
