For a number of years we have been involved with our local schools to promote the game of Crown Green Bowling, and for them to gain experience of an activity that has often been considered to be for the more mature person. The sessions have been enthusiastically supported by the schools and their pupils, being undertaken during term time, and with the active encouragement of attendance by parents and grandparents. We are looking to widen the appeal of Crown Green Bowling by engaging with other young persons organisations, such as Youth Clubs, Scouts and Guides, Boys/Girls Brigade, and similar interested parties

This is designed to:

- Highlight a healthy outdoor activity that has previously not been considered;
- Demonstrate participation for all ages and, more importantly, all abilities;
- Illustrate social value and community benefits from the participation in an alternative activity that could involve the entire family;
- Encourage a competitive, whilst friendly, approach to a sport;
- Promote early participation in a lifetime's activity;
- Support the need for continuity to ensure that Crown Green Bowling in this village continues long into the future.

To be successful in securing this funding will enable us to purchase an increased number of sets of Crown Green Bowls (Woods) suitable for children of all ages, and for the purchase of a number of simple trophies and medals to be presented to those children participating to ensure they go away from the sessions feeling as though they have achieved something good and to encourage their further enthusiasm in future years.
