LIF1128	Young Enterprise	Over the course of 6 hours (this could be a full school day, 2 x Saturday mornings or during the school holidays depending on the needs of the setting & the young people involved), we will run a series of activities aimed at developing key life skills such as resilience, communication, confidence, team building, organisation, problem solving, financial capability and initiative. All activities will be fun and engaging whilst encouraging young people to celebrate the skills that they already possess, help them develop these skills further as well as building new skills whilst at the same time fostering an understanding of how these skills are important for everyday life. This programme will enable us to work with up to 120 disadvantaged young people in up to 4 locations.	Activities and Programmes for Young People	£1,200	£1,000	£1,000	Recommended in full. Funding subject to financial clearance.
LIF1129	Hyndburn Arts Limited	The Gobbiners Gallop is a fancy dress fun run/walk that we intend to hold in September 2017. This will be a community event that will bring people out to enjoy an activity together. At various points, instead of just having water stations we would like to put on activities and events. So, for example at one point we will have a silly photo booth. To be able to do this we will need props for the photo booth, plus we would need to build a photo booth and have a photographer on hand. At another point we will have a Mad Hatter's tea party. The Mad Hatter's tea party will need performers and staff. The performers will be volunteers but it will need a co-ordinator to manage the scripts and to rehearse with the actors over the few months prior to the event. At another point we will have a disco challenge. At the disco challenge we will need a DJ and a 'dance floor' hiring. These will be prepared in advance and managed on the day by young people aged 16 to 19.	Activities and Programmes for Young People	£1,200	£1,200	£0.00	Not recommended. The application did not meet the needs of the priority in this district.
