

## Local Initiative Fund Round 2 2016/17 - Applications considered for Pendle

LIF No	Organisation	What the funds were requested for	Priority Area	Total Cost of Activity	Amount Requested	Amount Recommended	Comments from the Panel and officers
LIF1125	Southfield Community Action Forum	SCAF will recruit and train Volunteer Family Support workers to work with families and young people who are not attending school, who are in need of help and who have a range of health problems. This project will allow us to plug that gap and assess the needs of the family as a whole. The Family Support Volunteers will work with the families to assist them in finding practical solutions to meet the needs of the whole family and the wider community and will provide them with practical and emotional support. The funding will cover staff time to manage and train the volunteers, cover Volunteer expenses including travel, and cover some of the associated operational costs with the project.	Total Family	£3,770	£3,770	£3,770	Recommended in full. Funding subject to financial clearance. Application to be linked back to Wellbeing, Prevention and Early Help Service (WPEH) in relation to TFU (Troubled Family Unit) targets.
LIF1127	Young Enterprise	Over the course of 6 hours (this could be a full school day, 2 x Saturday mornings or during the school holidays depending on the needs of the setting & the young people involved), we will run a series of activities aimed at developing key life skills such as resilience, communication, confidence, team building, organisation, problem solving, financial capability and initiative. All activities will be fun and engaging whilst encouraging young people to celebrate the skills that they already possess, help them develop these skills further as well as building new skills whilst at the same time fostering an understanding of how these skills are important for everyday life. This programme will enable us to work with up to 120 disadvantaged young people in up to 4 locations.	Activities and Programmes for Young People	£1,000	£1,000	£1,000	Recommended in full. Funding subject to financial clearance.
LIF1132	Relate Lancashire	The Pilot programme will take on referrals from GP's practices and provide intensive whole family support over a 10 week period, this support could include 1-2-1 counselling, relationship counselling, family counselling, young people's counselling and sign posting to other	Total Family	£2,419	£1,600	£1,600	Recommended in full. Funding subject to financial clearance.

## Appendix C Pendle

		support services. We aim to offer everyone that approaches us an initial appointment within two weeks of their making contact. As a rule we provide each individual/couple/family with sessions lasting one hour each, though this is flexible depending on need. Our counsellors are trained to deal with a broad scope of relationship issues, ranging from how to manage a break up constructively to strengthening a marriage and sex therapy, family and young people's counselling. The funding will be used to pay the Counselling Costs and accommodation.					Application to be linked back to Wellbeing, Prevention and Early Help Service (WPEH) in relation to TFU (Troubled Family Unit) targets.
LIF1135	The Love and Etiquette Foundation	Our aim is to develop a monthly program for BAME and non-BAME young people (aged 16-25) to create a Spoken Word Poetry Collective and Performances incorporating positive social messages and locally relevant social community groups. We will develop and deliver a series of 6 intense one-day creative workshops over 6 months in Pendle to empower and up-skill BAME and non BAME young people aged between 16-25 to form a sustainable poetry collective for young people that shapes future talent and production of written and spoken literature in East Lancashire.	Activities and Programmes for Young People	£3,734.70	£3,000	£0.00	Not recommended. The application did not meet the needs of the priority in this district.
LIF1137	Carers Link Lancashire	Our project is to provide Parent Carers who live in Pendle the opportunity to have access to free monthly respite breaks to enable them to continue to undertake their caring role, preventing them from carer breakdown and reaching crisis point. The project will deliver 6 group parent carer respite sessions, one per month for 6 months in local, accessible venues in Pendle, engaging with a minimum of 30 parent carers and their children (cared for) at each session. The project will offer parent carers from Pendle a total of 720 hours of free respite services. The project will deliver 6 x 4 hour accessible group respite sessions, alternating every month to meet the demographics of the cared for children, with 3 being held at Giddy Kippers Play Centre in Nelson for children 0-10years and 3 at The Ace Centre in Nelson for children 11-17years. Parents will be given the option whether to leave their child (cared for) in the supervised setting or choose to stay and participate in the session.	Total Family	£4,940	£3,900	£0.00	Not recommended. The application did not meet the needs of the priority in this district.
LIF1140	In-Situ in Place	The Yes And Culture Collective- In-Situ will be supporting the artistic ideas and ambitions of young people to build on topics that are relevant to them to create entrepreneurial projects and shape their space in modern	Activities and Programmes for Young People	£8,000	£2,000	£0.00	Not recommended. The application did not meet the needs of the priority in this

		culture. We are applying to LIF not for the organisational support of the young people, but to be able to provide the young people with the funding to get their already developed projects off the ground. We will use the funding for up to five projects which will take place in Pendle, be collaborative between young people of different backgrounds, push the aspirations and skills of young people, gives them a voice in the local community, and enable them to find their place in the context of contemporary art.					district.
LIF1141	PAC – Positive Action in the Community	This funding will be used to support the development, planning and delivery of a programme that will positively impact on the Emotional Development Journey of young people being supported in SafeSpace Pendle. This project will develop educational, but fun activities that will challenge the young people in addressing their current emotional well-being and aspirations for their future. Once young people have started their Emotional Development Journey this project aims to challenge them to plan and develop a project to identify the difference between homelessness in Lancashire to London. It is envisaged that this will include a trip to London and give young people the chance to see their capital city and hopefully inspire other young people in a similar situation in London to challenge themselves and see what they can achieve.	Skills and Employment and Activities and Programmes for Young People	£4,880	£3,380	£2,493	Recommended for partial funding due to not enough funds in the budget.  Funding subject to financial clearance
