

Report to the Deputy Leader of the County Council
Report submitted by: Director of Corporate Commissioning
Date: 9 March 2017

Title of Report: Upgrade of the Existing Fire Suppression Systems within the Facilities at Farington and Thornton Waste Recovery Parks

Brief Description:

This report is requesting approval to review the risk mitigation plans before an upgrade to the fire suppression systems is commenced in order to avert the risk of the County Council incurring abortive costs.

Recommendation:

The Deputy Leader of the County Council approved the recommendations as set out in the full report.

The full report is not available for publication as it contains exempt information as defined in Paragraph 3 of Part 1 of Schedule 12A to the Local Government Act 1972. The report contains information relating to the financial or business affairs of any particular person (including the authority holding that information). It is considered that in all the circumstances of the case the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
