You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

The money will pay for an event for social inclusion of the Preston Wide community, working along side Military Veterans with both physical and mental injuries bringing together both the youth and senior citizens to cross match skills and hold a weeklong event list working both out of Ashton Park and in the community itself giving empowerment and confidence to those that are struggling.

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

By reaching out to the most hardest hit of our communities and bringing them together with military veterans and the more affluent population then this project will give them the self-confidence, we will also be able to conduct more specific research to see what other projects are required this could be bringing a guest speaker from UCLAN to encourage youngsters into Higher Education (University Level) we are already have projects with UCLAN to assisting other youngsters into apprenticeships with our Construction Skills network, and for adults out of work doing CV writing and job applications.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

£500	2017	Fundraising/self funding and local businesses
£		

Local Member Grants Application Form 2016/17

£		
£		

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period of time.

If all the funding is not available then we will look at modifying the programme although this will affect how we reach into the wider community and the number of military veterans and the community we can help.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.
