

## **APPENDIX A – RISK MANAGEMENT AUTHORITIES**

The Flood & Water Management Act 2010 section 6 (13) defines the Risk Management Authorities as follows:

“Risk management authority” means—

- (a) the Environment Agency,
- (b) a lead local flood authority,
- (c) a district council for an area for which there is no unitary authority,
- (d) an internal drainage board,
- (e) a water company, and
- (f) a highway authority.
