APPENDIX C

The service offer determines the level of group provision within each of our Centres.

We will deploy a variety of group based interventions to support parents, families, children and young people which target specific areas of need or vulnerabilities at an early stage. Group based interventions may also be used as support to assist in de-escalation from or work alongside Family Support interventions.

Group based interventions will respond to local need across the Local Authority District areas. Some group work will be effective in discharging our statutory universal responsibilities
