**4.3 What are you going to spend the grant on?**

*You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.*

Following the recent successful exhibition of memorabilia at Churchfield House, our history expert Val Austin intends to produce a book "A past and present – a Children's pictorial and story Guide to Great Harwood". There is a wealth of photographic material to enable the project and the intending writer has previously published works on local history. She will work with two colleagues, Barbara Youds of the History Society and Peter Riding, photographer and historian, to prepare materials.

Grant funding will be spent on reproducing photographs (to ensure maximum quality and prevent loss) printing of the book and producing briefing packs to facilitate its launch with schools. The book will link with the school curriculum. It will be distributed across all five primary schools in the town, along with 20 briefing packs for each.

**4.4 How will the money benefit people in the Councillor(s) division(s)?**

*See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.*

The Society's aims are: to inspire a sense of civic pride; stimulate public interest and care for the town; encourage preservation, development and improvement of features of public or historic interest; and ensure the continuity of traditions of the town. The project will help the Civic Society achieve those aims by sharing knowledge of the town's past and present and helping instill interest and pride into a new generation.

The Civic Society's home, Churchfield House, is becoming a hub for community, business and family get-togethers, including all age groups. The recent memorabilia exhibition at the house was an historical record of the town's industry, schools, buildings, agriculture, trade, culture and more. It was a very well attended event, primarily aimed at adults.

The new project aims to focus on raising children's appreciation of the town and its history by visually comparing aspects of local life a hundred years ago with today.

Churchfield House will not directly benefit from the project. However, as the house was left for the people to enjoy, the book will include illustrations of its origins and families. The book will help young people to enjoy and "own" not just those but a huge variety of aspects of their town. This new and shared knowledge can, in turn be expected to lead to a more cohesive and positive community.

**4.5 What is the total cost of the activity?**

*For example this is the amount it will cost to buy the equipment/hold the whole event.*

We expect the total cost will be £5,000. Included is a very conservative estimate of the writer and team's volunteer time in preparing and selecting new material, writing and illustrating the book and liaising with schools. We anticipate the key writer's time as a minimum of 200 hours, and the two supporting experts' as at least 30 – 35 hours each. Salary equivalent £4,000.

**4.6 How much are you applying for from the Local Member Grants Scheme?**

£1,000

**4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.**

*The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.*

**4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.**

*It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.*

Our aim is that in Summer 2017 we will prepare with schools for launch of the book in the Autumn term. If only part of the funds required are granted, publication and launch with schools will be delayed until 2018.

**4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?**

*Please note you must spend the funds in the current financial year.*

**4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.**

*See guidance notes section – 3.4. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.*
