Total Amount Requested	£250 x 8 = £2000.

4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

The grant will be spent on upgrading our computers and repairing a printer together with a contribution towards the running costs of the office including: printer ink, paper, card and sundry office items.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

Our project will give our beneficiaries training and work experience in office work and therefore improve their opportunities of finding full or part time employment as well as helping to improve their confidence and self-esteem in the workplace.

The number of people with a learning disability gaining full or even part-time employment is less than 10% in West Lancashire.

This is done by renting a small office at Certacs House in Skelmersdale and providing qualified sessional support workers to help the beneficiaries in the office and with transport to and from their homes should they require it where public transport is difficult or not available. The adults who use Timesavers are spread across the County Divisions.

People with often need extra help such as: allowing them to repeat tasks and letting them to work at their own pace so it makes it easier for them to acquire new skills without feeling under stress.

In order to achieve this the work experience and skills training is given in a supportive environment and in this way we hope to overcome the barriers to learning which people with additional needs often encounter.

Also we have now been able to arrange short periods of supported office work experience for some of the people we support with local employers and charities which has proven very worthwhile to all concerned. We are hoping to increase these placements.

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period of time.

The total cost of funding is to enable the project to continue in its current form therefore any reduction in funding could reduce the length of the project or the number of beneficiaries. We are currently looking into other funding applications.
