Cllr. Edward Nash	£500
Cllr. Peter Buckley	£250
Total Amount Requested	£750

4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

The grant will be used to support the purchase of 10 self-watering planters for floral displays around the town, not just the town centre. The planters come complete with fixing brackets and removable liners. The interchangeable liners mean that planting displays can be started earlier under cover and become established before being located outside. The liners allow for an almost instantaneous change-over of planting allowing In Bloom volunteers to adapt to seasonal changes quickly so providing more colourful displays over a longer period.

These planters have a long life span so the investment via a grant will be sustainable over the long-term.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

The provision of these planters will enable In Bloom volunteers to extend their activities to enhance urban areas because evidence shows that colourful floral displays help people to feel positive about the area in which they live.

We believe that such displays also lead to a reduction in anti-social behaviour because they show the wider public that someone is caring for and taking a pride in the area and/or a particular neighbourhood.

The displays do result in new volunteers coming forward making this community organisation self-sustaining in terms of manpower.

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment.

£1955.00

4.6 How much are you applying for from the Local Member Grants Scheme?

£750

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

How much?	Funding period	Funder/Applied or Confirmed?
£ 500	Current year	Lytham St Annes Lions Club - confirmed
£ 567	Current year	Money raised through sale of plants etc confirmed
£ 178	Current Year	In current account
£		

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

We will reduce the number of barrier planters that we purchase leaving parts of the town without floral displays.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.

Start Date	End Date
October 2017	December

4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.

See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.

5.2 If you have ticked 'Yes' above, does your organisation have children or vulnerable adult protection policies in place?

See guidance notes section – 4.1.

No – Please answer question 5.4.

5.4 If you have ticked 'No' to either questions 5.1, 5.2 or 5.3, please explain why and why you feel clearance is not necessary to enable us to consider whether your application can proceed.

If you are purchasing equipment, you need to state here that no children or vulnerable adults will be involved in the purchase of the equipment.

Children/vulnerable adults are not and will not be involved in the purchase, provision of the planters or servicing them since the planters are often on the margins of highways and thoroughfares and could present a health & safety issue.

Vulnerable adults are involved in In Bloom activities but only through their own organisation or group and hence come under their own organisation's approved arrangements.

Children are involved in activities that support In Bloom projects but these activities are stand-alone school based projects which come under the school's arrangements for safeguarding.
