**Recommendation**

The Cabinet Member for Highways and Transport is requested to consider and approve the request for grant funding as set out in Appendix 'A' attached.

**Background and Advice**

Local Member Grants were originally set up in April 2006 to provide voluntary, community and faith sector (VCFS) organisations the opportunity to apply for funding to support projects that would benefit the local community.

On 29 March 2010, using powers in the Local Government and Public Involvement in Health Act 2007, the Leader of the County Council approved changes to the Local Member Grant scheme to enable individual county councillors to take formal decisions on behalf of the County Council.

The above legislation however does not apply to cabinet members as they already have these decision making powers. The Cabinet Member Highways and Transport is therefore being asked to consider and agree the attached application for funding (in relation to their own Local Member Grant budget) under the existing decision making process for cabinet (Executive) members. Existing rules for executive decision making, including the notification of key decisions and provision for the call in of decisions will therefore continue to apply for cabinet members.

Under the grants scheme each county councillor has been given a specific budget which he/she can spend to enhance the economic, social, environmental well-being of people who live in their area (electoral division).

For the financial year 2017/18 each county councillor has a budget of £3,000
