**Making BACUP FAMILY CENTRE more secure.** Last December we had to move from our old home to fresh premises on the same local housing estate. Already we have had a very solid garden set and guttering stolen. We want to make our new premises more secure, both inside and out by:-

- 1) The installation of a Closed Circuit TV package -to protect the Centre both externally and internally (where confidential information is stored) from theft and break in.
- 2) The installation of window blinds to protect and conceal the interior in a discreet way.

**4.4 How will the money benefit people in the Councillor(s) division(s)?**

*See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.*

Our organisation offers family support, both practical and emotional to the local area, we are based on the Pennine Road Estate where our office is in a street occupied mainly by older people. CCTV on our building will help to discourage anti-social behaviour in the area. It will also help protect the confidential information we keep about the families we work with.

When they occur, break ins and vandalism take up a lot of staff time and energy; starting with assessing the damage, filling in insurance claim forms, getting estimates for repairs and ensuring that the work is carried out – this is time taken away from time that we would prefer be given to families and their children.

**4.5 What is the total cost of the activity?**

*For example this is the amount it will cost to buy the equipment/hold the whole event.*

CCTV £ 545.00  
Blinds £ 337.00  
**Total £ 882.00**

**4.6 How much are you applying for from the Local Member Grants Scheme?**

£ 600.00

**4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.**

*The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.*

How much?	Funding period	Funder/Applied or Confirmed?
£ 282.00	2017-2018	Donations secured
£

£		

**4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.**

*It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.*

We may have to reduce the specification of the CCTV system if additional donations cannot be found.

**4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?**

*Please note you must spend the funds in the current financial year.*

Start Date	End Date

**4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.**
