<b>Total Amount Requested</b>	£300
-------------------------------	------

**4.3 What are you going to spend the grant on?**

*You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.*

The purchase of storage boxes to ensure that equipment is stored safely and securely in the Scout Hut

**4.4 How will the money benefit people in the Councillor(s) division(s)?**

*See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.*

The storage boxes will allow the leaders of the Group to safely and securely store equipment so that it is easily identifiable and accessible. Currently we have to limit access by Beavers, Cubs and Scouts to the area where our equipment is stored. By storing the equipment in Storage Boxes the area becomes much safer and can be accessed by the children under supervision.

**4.5 What is the total cost of the activity?**

*For example this is the amount it will cost to buy the equipment/hold the whole event.*

LC 19/10

£ 3.77		Subscriptions

£		

**4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.**

*It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.*

If the grant were not available, the Group will still purchase the storage boxes as the Health and Safety of the children and operational convenience for the Group is our priority. This re-organisation of storage is part of longer-term effort to implement a wider range of improvements in hut over a substantial extended period (i.e., years). Other recent improvements include; purchase and installation of a new cooker, refurbishment of a sink/toilet area, refurbishment of an emergency exit, etc. Some of these developments have also been support by grants. If this particular grant was not given the purchase cost the boxes would come from the subscriptions paid by the members so funds for further significant developments would be reduced and/or (less likely) the weekly programme that each Section delivers could be impacted. This Scout Group is a dynamic and well-attended organisation serving large number of local children and our Leaders (all volunteers) are doing their best within a limited budget to give members the best experience possible through the development/improvement of resources and activities and without unnecessarily increasing the cost to the members involved.

**4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?**

*Please note you must spend the funds in the current financial year.*

<b>Start Date</b>	<b>End Date</b>
October 2017	November 2017

**4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.**

*See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.*
