4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

A weekly Friday night youth group, IGNITE, was setup at All Saints' Higher Walton Church (although attracting children from the Chorley area also due to school relationships) aimed at children in year 6 and above. The youth night currently attracts an average of 25-40 young people aged 10-15 each week. The night is non fee paying so that no one is excluded and therefore we rely on donations to fund the night for the children.

We try and hold regular 'event nights' as part of IGNITE (i.e. disco, film night with pizza, laser tag and Energi Trampoline Park).

The money from the grant will be used to fund our future planned event nights and also for equipment needed for the evening (board games / pool cues / table tennis bats/ balls / other games)

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

The youth night brings together between 25-40 young people on a Friday evening across the Chorley/South Ribble divisions. It gives these children a place and time to come together in a safe & welcoming environment.

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment/hold the whole event.

£500

4.6 How much are you applying for from the Local Member Grants Scheme?

£ 500

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.
