4.3 What will the funds be spent on

We are setting up a weekly drop in session for women in the district.

The drop in is for women to access support and guidance regarding all aspects of going self employed, including enabling them to complete their Universal Credit forms online and make calls to agencies.

We need a range of things to equip the session so that women feel comfortable and welcome as well as have access to good robust resources

4.4 How will the money benefit people in the Councillor's division?

The women and enterprise hub will benefit all women from the Lancaster and Morecambe District who are considering moving from the benefits system to running a small business. We

have been providing services for women in Skerton already via our Sowing Club programme, which is how the hub came about. Also as women become economically active that benefits the wider community too.

Partial funding will mean that we can at least get some of the resources needed to get us started.

Please note you must spend the funds in the current financial year.
