

Additional Proposed 2017-18 Road Safety Programme

Project Name	Division	District	Project Description	Justification	Total Cost
Runshaw Lane - hazard warning/delineation enhancements	Euxton, Buckshaw and Astley	Chorley	Installation of hazard markers, enhanced signing, LED road studs and improved delineation.	This scheme will address a high incidence of collisions in dark and wet conditions, with a significant proportion of loss-of-control collisions and some junction-related collisions.	£93,500
A49 M6 flyover to Lydiate Lane	Clayton with Whittle	Chorley	Installation of hazard markers, enhanced signing, LED road studs and revalidation of Traffic Signals MOVA data.	This scheme will address a high incidence of collisions in dark and wet conditions and failure-to-give-way collisions occurring at the signalised junction with Lydiate Lane.	£39,000
Railway Street, Nelson	Nelson East	Pendle	Installation of raised junction table, speed control table and extension of 'No Waiting At Any Time' restriction.	This scheme will address restricted visibility around junctions due to parking and pedestrians walking out from behind parked vehicles.	£75,500
A6 Carnforth to Cumbria boundary route treatment	Lancaster Rural North	Lancaster	Installation of high friction surfacing, junction warning signing, chevron signing and enhanced lining.	This will scheme address loss of control on bends and rear-shunts/reckless overtaking at junctions.	£65,500
Carr Road traffic calming	Brierfield and Nelson West	Pendle	Installation of raised uncontrolled crossing point, SLOW markings and Warning Signs.	This scheme will address parked vehicles causing visibility issues for vehicles emerging at junctions and for crossing pedestrians.	£37,500
Eastway/Watling Street Road Junction lining improvements	Preston Central East/Preston East	Preston	Installation of right turn ghost island from Watling Street Road.	This scheme will address right turning vehicles from Watling Street Road into Eastway failing to give way to oncoming traffic.	£38,500
Blackpool Road junction with Brook Street, Preston	Preston Central West	Preston	Installation of additional traffic signal heads and vegetation clearance.	This scheme will address eastbound vehicles failing to stop at traffic signals.	£25,000
Casterton Avenue, Burnley	Burnley North East	Burnley	Upgrade of existing pedestrian refuge.	This scheme will address a cluster of collisions in which pedestrians have been struck whilst attempting to cross the road.	£25,000
Sharoe Green Lane/St Vincent's Road, Preston	Preston North/Preston Central East	Preston	Upgrade existing zebra crossing and installation of additional warning signing.	This scheme will address southbound vehicles exiting the adjacent mini-roundabout and failing to stop for pedestrians on zebra crossing.	£19,000
Moss Side Lane - Corka Lane junction to Wrea Green	Fylde South	Fylde	Installation of chevron signs on bends, solar road studs and edge of carriageway markings.	This scheme will address loss of control collisions.	£66,000
Morris Lane junction with Renacres Lane and Gorsuch Lane	West Lancashire West	West Lancashire	Installation of bar markings, vegetation clearance and centreline offset.	This scheme addresses failures to give way at the junction with the A59 from Renacres Lane and Morris Lane.	£15,500
Total:					£500,000
