**Executive Summary**

This report presents an application from a local organisation totalling £450 towards the cost of a printer from the Local Member Grants Scheme.

**Recommendation**

That consideration be given to the request for grant funding as set out in Appendix 'A' attached.

**Background and Advice**

Local Member Grants were originally set up in April 2006 to provide voluntary, community and faith sector (VCFS) organisations the opportunity to apply for funding to support projects that would benefit the local community.

On 29 March 2010, using powers in the Local Government and Public Involvement in Health Act 2007, the Leader of the County Council approved changes to the Local Member Grant scheme to enable individual county councillors to take formal decisions on behalf of the County Council.

Under the Grants scheme each county councillor has been given a specific budget which he/she can spend to enhance the economic, social and environmental well-being of people who live in their area (electoral division).

For the financial year 2017/18 each county councillor has a budget of £3,000.

Details of the requests for grant funding are shown below:
