Catch the Wind is one of the most popular events in Lancashire's festival calendar. It has a very high profile, being the most photogenic of events, featuring e.g as the backdrop to regional weather reports and in numerous publications promoting the district, the town and the county . It provides a fantastic opportunity for vast numbers of visitors and local people to enjoy Morecambe at its best. The festival has a range of different elements that appeal to a wide audience with something for everyone to enjoy; kite flying , music, theatre , dance, as well as arts and crafts workshops. The professional kite fliers highlight the magnificence of the environment and people are inspired to make or buy their own kites and to share the experience. The workshops allow children and families to engage in a wide range of creative and physical activity , stalls and activities use natural and or recycled materials and are generally themed to raise awareness of the environment. For 2017 we will again be working with environmental artists . The diverse programme of music and entertainment provides audiences with the opportunity to experience artists from across the world as well as the best of local and regional talent. We are committed to broadening understanding of cultural difference and Catch the Wind gives us an ideal opportunity for this. The festival brings people together from all parts of the community and contributes to the development of a sense of pride , confidence and cohesion as well as contributing to the local economy with hotels and businesses reporting increased activity that weekend. In 2014 Catch the Wind was voted Morecambe's favourite festival by listeners to Bay Radio and last year BBC Radio 4 broadcast their Saturday morning magazine programme live from the event. Catch the Wind is a flagship event for the district, it is widely marketed and focuses on quality and inclusivity .
