4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

FOGG intends to repair and upgrade the "Special Feature" on the corner of the Village Green. This feature comprises a Planter Base and a Map with information about Grimsargh. The planter base is in need of replacement with the majority of the timbers having become rotten over the years. The map is also well out of date, having been originally put on display about 12 years ago and an up to date replacement is being sourced.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

FOGG has worked continuously over the past 12 years or so to improve and maintain the Village Green for the benefit of and use by residents and visitors. Recent results of the Village Plan (currently being prepared and as yet unpublished) show that the Green is one of the greatest assets in Grimsargh. FOGG fully realises this and will continue to help to keep the Green as a valuable and useable asset in the village.

The planter and sign will be a recognisable feature on the Green and will highlight places of interest in Grimsargh Village for the benefit of residents and visitors.

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment/hold the whole event.

£ 300. 00

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

FOGG could complete this project from its own resources, but this would seriously deplete the balances which are currently intended for other major works that are being planned to be carried out around the perimeter of the Green. This particular scheme, which has been in the planning stage for over 2 years, is currently costed in the region of at least £8,000 plus V.A.T. and additional fundraising will be required to enable this project to be completed.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.

Start Date	End Date
March, 2018	March/April, 2018

Timber for Planter Base - £35. 00 (inc V.A.T. - approximate cost)

Replacement hard copy of latest OS Map - £70. 00 plus V.A.T.
