4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

Friends of Greaves Park has been wanting to create a website for many years, but has not has the skill set amongst our committee/volunteers. We now have someone who is willing to help set one up for us at a reduced rate, as we are a voluntary organisation.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

We currently use our Facebook page to publicise events, and to inform the community about our activities. A website will be more versatile and will enable us to widen our profile, provide more information, and encourage people to get in touch.

We envisage that information will be held under a number of headings including:

- **About Us** which will describe our aims and objectives and the various diverse areas of the park
- **Learning Zone** where we will describe the animal and plant life in the park
- **History** One of our members has researched the history of the two grand buildings that occupy the park. This information has been published in a booklet, which has sold 130 copies to date. We plan to put some of the history online, and also want to encourage members of the community to contribute their own memories of the park
- **Events** – showing all the events planned for the year
- **Blog** - which we hope will be interactive to enable other people to comment .We will use the blog to report any unusual events and to let people know what we have been doing to improve the park
- **Volunteers** - where we will encourage people to volunteer with us, and give people some idea what volunteering with us might be like
- **Contact Us** - which will enable people to send in their comments which can then be added to the blog

As you can see, having a website will mean The Friends of Greaves Park will be able to reach a much wider audience, recruit more volunteers, and get more local residents coming to our events and involved in the group.

This will lead to the group being able to expand on the work we do in the park and make more improvements in the park for all local residents.

It will be great to be able to share information about our beautiful park!

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment/hold the whole event.
