Cllr Geoff Driver	£750.00
Total Amount Requested	£750.00

4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

We intend to use the money to cover the fundraising expenditure and general overheads of the group. We intend to fundraise during the course of the year, as we did very successfully last year. Ultimately, all of the money raised from our fundraising efforts will be used for matchfunding purposes from approved providers. In short, this grant will enable us to cover our group and fundraising overheads whilst using our fundraising money to matchfund towards the amount of money required for our project.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

The work we have done in the last 3 years has already improved the park significantly and the numbers of residents now using the park has increased accordingly. It can (and is) now being accessed by prams, buggies, wheelchairs and mobility vehicles, none of which could access the area before. The addition of park benches are also helping and encouraging more use of the park. Every fundraising event we have held so far has been very well attended by local residents including our "picnic in the park \ fun dog show" last August which attracted some 250 people. Most of the attendees shook our hands and thanked us for bringing the community together again. Now that the access paths and seating have been installed, we are hopeful that additional tree planting will take place in the next few weeks courtesy of PCC.

4.5 What is the total cost of the activity? Up to £250,000 dependent upon the options chosen

For example this is the amount it will cost to hold the whole event.(fundraising element and overheads for 1 year)

£750.00

4.6 How much are you applying for from the Local Member Grants Scheme?

£ 750.00

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

How much?	Funding period	Funder/Applied or Confirmed?
£		Anything in excess of £750.00 will come from our fundraising account or donations.
£		
£		
£		

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

Yes, we can continue but the overhead expenses will have to come from our accumulated fundraising account. This would be disappointing as we need as much money as possible to put towards our match funding applications. The higher our contribution, the more we can raise. If we do use our accumulated funds to cover overheads, this will extend the time for matchfunding applications as we will have to replace these funds. I should point out that the members of the committee meet some of the expenditure themselves which is not claimed as an act of goodwill to enable FOCP to succeed.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.

Start Date	End Date
April 2018	March 2019

4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.

See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.

Hire of hall and kitchen to hold fundraising event and AGM £175.00
 Printing and lamination of posters and flyers for 2 events £250.00
 Website costs for 12 month period £250.00
 Refreshments and raffle prizes £75.00
 Total £750.00

SECTION 5: CONFIRMATION OF ORGANISATION'S POLICIES

5.1 Will the activity involve members of your organisation having significant contact with children or vulnerable adults?

 No – Please go to question 5.4.

5.2 If you have ticked 'Yes' above, does your organisation have children or vulnerable adult protection policies in place?

Yes

No – Please answer question 5.4.

5.4 If you have ticked 'No' to either questions 5.1, 5.2 or 5.3, please explain why and why you feel clearance is not necessary to enable us to consider whether your application can proceed.

If you are purchasing equipment, you need to state here that no children or vulnerable adults will be involved in the purchase of the equipment.

Parents and guardians will be accompanying children to the events where children are allowed. Tickets will only be sold to adults. If we hold another Picnic In The Park / Fun Dog Show, the event will take place adjacent to the childrens' play area within the park itself. This is the play area we are trying to replace or refurbish. There will be no direct interaction between FOCP members and the children themselves. All interaction will be between FOCP and parents.
