4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

We wish to purchase 4 sturdy coloured dementia friendly toilet seats 2 x red and 2 x blue for our toilets at our Wellbeing Centre in Ormskirk.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

For people living with dementia using the toilet can be a confusing and distressing experience if they struggle to locate the bathroom and then the actual pedestal itself. This can lead to incontinence, anxiety and loss of dignity for the individual. We endeavour to minimise this within our Day Time Support premises at hubs by having clear signage, good lighting and clearly visible seats. These brightly coloured seats help those with dementia and they are also of benefit to anyone with a visual impairment.

The seats provide the additional benefit of soft close hinges - preventing it from slamming shut and creating a startling, loud noise which can also cause anxiety for our Day Time Support and Wellbeing Centre users. The sturdiness of the seats is reassuring for clients as well as making them suitable for heavy usage.

The intended improvements will greatly enhance the facilities for all with a specific emphasis on accessibility for those with mobility or dementia related conditions. The improvements to WC facilities will enable older users to retain their independence and manage their needs self sufficiently and maintain dignity and privacy.

The aesthetic improvements will enhance the overall experience for all user groups. The modernised facilities will offer 'added value' to existing users at the centre and are intended to present an attractive and fresh feel to the centre's ambience and promotes a dementia friendly space and colour coding and appropriate signage will further enhance the environment and is appropriate for all user groups.

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

We will purchase as many seats as possible with the funds available prioritising our disabled/accessible toilet first. £250 will however enable us to fit dementia seats on all toilets in the building.
