Skool of Street Confidence & Resilience Programme

A Grant would allow us to pay for specialist session workers to provide FREE sessions in performing arts such as Drama, Streetdance, Physical Theatre & Spoken Word to 50 young people in Fleetwood & Bispham. Support would also allow us to pay for venue hire in both areas Springfield Methodist Church Bispham & Cardinal Allen High School Fleetwood, meaning there will be no cost to young people & their family's. We plan to hold a 5 day project Monday – Friday in Bispham and Fleetwood 3 hours per day over the school summer holidays resulting in a showcase performance opportunity for all young people and accredited volunteering opportunity's for parents involved. The course has been designed to include team building activities including, Creating a music/dance video, learning choreography, producing their own song incorporating rap & spoken word. At the end of the project young people will create a film to be shown at a showcase for members of the community to see and to be featured on our Youtube Channel.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

Young people and their family's will benefit the most. We know these activities are unisex & will greatly appeal to young people in the area. We want to give young people the opportunity to get involved and inspired by the skills they learn and feel empowered by their work. The activities are a great way to engage more young people in the arts and results can be achieved with the planned sessions in a very short space of time with guidance from our experienced session workers & young mentor volunteers. All committed young people will experience an amazing sense of achievement & overall better sense of well being through taking part. There are neighbourhoods in both areas that are highly deprived with many family's struggling with basic living expenses, finding it extremely difficult for their children to access leisure activities. Many young people cant access local leisure activities due to location, high cost and their limited family income. We want to offer our projects out to all children looking to try something new that is rewarding and that can give them something to feel proud of. Our project will help improve resilience, anti-social behaviour, confidence & social skills in young people. This will highly benefit family's knowing their children are in a fun safe environment like Skool of Street. The Showcases at the end of the projects will bring members of the community together creating a great sense of community cohesion.

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment/hold the whole event.

£3000

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

We will not be able to accommodate the high demand for our project from the public, your support will allow us to offer more young people the chance to get involved in our work.

We hold regular fundraisers within Lancashire as well as receiving donated money and corporate sponsorship in return for performances at local events. We would try to raise any shortfalls with community donations from the family's attending sessions, however some may not be able to afford to donate through lack of family income.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.
