SECTION 4: THIS APPLICATION**4.1 Which County Councillor electoral division(s) will your expenditure cover or benefit?**

Ribble Valley North East

4.2 Name(s) of County Councillor(s) that the grant is being requested from

Councillor Name	Amount Requested
<i>If you wish to apply to more than one county councillor, make sure you list them all here with the amounts you are asking from each of them. See guidance notes section 2.2.</i>	
County Cllr Albert Atkinson	£400.00
Total Amount Requested	£400.00

4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

If successful, the grant will be used to replace an old and dilapidated raised bed with staging so that the children in the community can use it for a variety of activities within the Langho site. Costs have been obtained from a variety of sources and the one chosen is a local builder who has done work in the locality and on the site and is easily contactable should needs require it. The quote received covers the following:

Replacement of old raised bed in bad state of repair with low staging

Create deck 2100x 2100 x 120 on top of existing deck

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

The grant will allow the removal of an old dilapidated raise flower bed and the creation and installation of much needed staging on the site. It will be used every day by the children who regularly use the community area for a variety of activities. The Scouts, Brownies, Cubs, Guides and Beavers will be using the stage area to undertake activities associated with these societies eg: for the achievement of their activity and staged badges for all sorts of interests so as to give them life chances they would not ordinarily get a chance to experience. The mother and toddler group will be using the area for educational purposes and play activities. The out of school and holiday club use the site 5 days a week during school time and all day during holidays. They will be using the area for a variety of dance, acting and performance activities to build confidence and team working skills. There are also local sports clubs that have expressed an interest in using the staging area for their training activities eg: kung fu, football etc. as it will form an excellent area for training exercises such as steps and sit-ups. Those who live in the area do not have access to many facilities and the installation of the items as described will prove to be a huge bonus to the groups who use the site at Langho

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment/hold the whole event

£ 480.00

4.6 How much are you applying for from the Local Member Grants Scheme?

£ 400.00 – the children have themselves raised £80 by hosting a number of activities

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

How much?	Funding period	Funder/Applied or Confirmed?
£ 80.00	ongoing	Confirmed – raised by the children themselves
£		
£		
£		

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

If it is not possible to fund the whole amount the children will undertake more fund raising activities to raise the sums required. They are all very keen to get the work started so any delays will mean a delay in getting the old flowerbeds removed and that part of the site being out of bounds as it is currently dangerous with splinters and sharp edges.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.

Start Date	End Date
14-3-18	31-3-2018

4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.

See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.

Quote received for the replacement of old raised bed in bad state of repair with low staging

Create deck 2100x 2100 x 120 on top of existing deck = £400 plus VAT = £480

SECTION 5: CONFIRMATION OF ORGANISATION'S POLICIES**5.1 Will the activity involve members of your organisation having significant contact with children or vulnerable adults?**

See guidance notes section 4.1. If you are purchasing equipment this will not involve children or vulnerable adults. This section is only relevant for example if you are holding an event.

 No – Please answer question 5.4.

5.4 If you have ticked 'No' to either questions 5.1, 5.2 or 5.3, please explain why and why you feel clearance is not necessary to enable us to consider whether your application can proceed.

If you are purchasing equipment, you need to state here that no children or vulnerable adults will be involved in the purchase of the equipment.

The grant, if successful will relate purely to the building and installation of low staging that will be used by children within the community via the Out of School Club, mother and toddlers, the scouts, guides, cubs, brownies and beavers etc who all access the site. The person installing the items will not come into contact with the children – all people who will work with the children once the installation has taken place will all be enhanced DBS cleared and follow their own policies and procedures relating to safeguarding which follow the NSPCA model or Ofsted requirements.
