Shaun Turner	£500
Total Amount Requested	£500

4.3 What are you going to spend the grant on?

You need to tell us what you are going to buy with the money from the grant, for example, the piece of equipment you are going to buy, or what items you are going to buy if the money is to help with an event you are arranging. Detailed costs are required on the next page.

We are setting up a Poppy Trail to commemorate the centenary of the end of WW1 in November 2018. We want to place a poppy plaque at significant locations (eg. churches, war memorials, and other locations that are relevant to the men from Garstang who fell in the war)

These plaques will include a QR code which can be scanned by a smartphone and which will take the person to our website where they can find out further information about the people and place the plaque relates to.

We also plan to produce a paper leaflet which will be available around the rural district at various locations, including the Discovery Centre, to enable visitors to the town and area around to follow the trail, including those without access to a smartphone.

We envisage that the trail will also grow over time to include WW2 locations, plus any other significant locations other than those from WW1.

The grant would enable us to purchase and fix enough poppy plaques to kick start the project, and to produce and print an initial run of leaflets. The plaques would be at key locations to begin with, like war memorials and churches.

We will then seek to find a sponsor for each plaque, for example a householder may wish to have one on their house if it was the former home of one of the fallen. We would offer them the opportunity to have a plaque fixed to the building, plus we would include them on the trail. We do not plan to automatically include houses as current owners may not wish to have a plaque.

4.4 How will the money benefit people in the Councillor(s) division(s)?

See guidance notes section – 2.3. You need to tell us how this money will help your organisation specifically and also the general public who live in the county councillor(s) electoral division, for example will it help bring people together or help stop anti-social behaviour.

It will bring visitors to the town to follow the trail, thus local businesses will benefit from an increased footfall.

It will enable the people of the whole rural district to come together to assist the GDHS to research and provide information about people and places in their part of the district, and to ensure that the area has a real and relevant contribution to the WW1 Centenary events that are planned for the area.

It will provide information about people named on war memorials, so that rather than just seeing a list of names on a memorial both residents and visitors will be able to bring them to life by finding out about their lives and their deaths.

The trail will also be useful for local schools and community groups who are also studying WW1 and taking part in planned events to mark the centenary of the end of the war.

4.5 What is the total cost of the activity?

For example this is the amount it will cost to buy the equipment/hold the whole event.

£500

4.6 How much are you applying for from the Local Member Grants Scheme?

£ 500

4.7 If you are not asking for the full cost of funding for your activity please tell us where the rest of the money is coming from and if it has been secured at the time of your application.

The figures here, together with the figures in 4.6 should add up to the total cost in 4.5.

How much?	Funding period	Funder/Applied or Confirmed?
£		
£		
£		
£		

4.8 If you do not get all the funds, or only a percentage of what you require, you need to tell us what will happen to your proposed activity.

It is possible, that your application may be supported, but not for the full amount of funds. If this happens, we need to know if you can continue with your activity, e.g. you may provide an activity for half the intended period.

If our application was not fully or partly supported we would still continue with the activity by seeking sponsorships for each plaque from either members of the public or building or memorial owners.

4.9 What is the start and end date of the activity or when do you intend to purchase the items/equipment?

Please note you must spend the funds in the current financial year.

Start Date	End Date
March 2018	November 2018

4.10 Please give a detailed breakdown of your expenditure for your activity/equipment.

See guidance notes section – 3.4. The total costs here must add up to the figure shown in section 4.5 for example if you are buying plants and compost for a gardening scheme we need to know how much these are. In addition, if you have a quotation from a supplier please also provide this as evidence of the costs.

1. 45 poppy plaques at £10 per plaque: £450
2. 2500 x 3 fold leaflets: £150

SECTION 5: CONFIRMATION OF ORGANISATION'S POLICIES**5.1 Will the activity involve members of your organisation having significant contact with children or vulnerable adults?**
