Our Vision in People Day Project provides a wide variety of experiences and opportunities for adults with learning disability aged age 18 upwards. Our service users travel from across Preston and local areas to attend the Project. We aim to enhance and reinforce the life skills and learning for the adults we support to promote independence, confidence, multi-cultural inclusion, diversity, understanding, communication and well-being.

Our Learning and Development Centre, based at Marian House, Beech Grove, Ashton, Preston provides a safe, accessible learning and interactive environment for a wide range of activities from project or themed discussion/learning groups to drama. We are developing an IT suite and having a Touchscreen Whiteboard Display will greatly enhance this facility and enable us to give additional support to the many vulnerable adults who attend the centre.

We also wish to improve our group learning and discussion sessions through interactive smart screen technology. In addition to making the sessions more enjoyable, this equipment will enhance the groups' IT skills.
