#### Executive Summary

In line with the county council's procurement rules, this report sets out a recommendation to approve the commencement of the following procurement exercises:

- (i) Provision of core services for Boost Business Lancashire as part of the Boost 3 Programme.
- (ii) Penwortham By Pass surfacing works.
- (iii) Conservation and specialist works for historical buildings.

These are deemed to be Key Decisions and the provisions of Standing Order 25 have been complied with.

#### Recommendation

The Cabinet is asked to approve the commencement of the procurement exercises as set out in Appendix 'A' for the areas identified above.

#### Background and Advice

Appendix 'A' of this report sets out the details of the individual procurement exercises and the basis upon which it is proposed to carry out the processes including:

- the description of the supplies/services/works being procured;
- the procurement route proposed;
- the estimated annual contract value;
- the proposed basis for the evaluation of the tender submissions.

Where approval has been received from the Cabinet to undertake a tender process which is deemed to be a Key Decision, the subsequent award of the contract on the satisfactory completion of the tender exercise shall not be deemed a Key Decision and can be approved by the relevant Head of Service or Director.

On the conclusion of the procurement exercises, the award of the contracts will be made under the County Council's Scheme of Delegation to Heads of Service, and in accordance with the council's procurement rules.

### **Consultations**

Relevant Heads of Service and key operational staff have been consulted in drawing up the proposals to undertake the procurement exercises included within this report.

### **Implications:**

This item has the following implications, as indicated:

### **Financial**

The estimated value of the contracts will be contained within the current budget for the service areas. If significant variations should result then a further report to Cabinet will be required.

### **Legal**

Failure to take steps to lawfully procure new contracts and continuing with the current arrangements where applicable would contravene the Council's procurement rules and The Public Contract Regulations 2015. Furthermore, failure to award the contracts may result in the county council facing difficulty in delivering services.
