#### **Executive Summary**

This report provides an updated (Quarter 1) Corporate Risk and Opportunity Register for the Cabinet Committee to consider and comment upon.

#### Recommendation

The Cabinet Committee is asked to note the updated Corporate Risk and Opportunity Register as set out at Appendix 'A'.

#### **Background and Advice**

Following the corporate approach to reporting on risk and opportunity, the quarter 1 Risk and Opportunity register was recently reported to Corporate Management Team following a review of the register. The register has now been updated to reflect changing priorities and the budget. It has also been aligned to the Annual Governance Statement and it is the primary means of reporting progress for the main issues raised in the Annual Governance Statement. Following this Cabinet Committee, the Register will be presented to the next Audit, Risk and Governance Committee. An updated Corporate Risk and Opportunity Register is attached at Appendix 'A'.

Implications:			
This item has the following implications, as indicated:			
Risk management			
Good governance enables an authority to pursue its vision effectively as well as underpinning that vision with sound arrangements for control and management of risk. An Authority must ensure that it has a sound system of internal control which includes effective arrangements for the management of risk. Failure to develop and maintain a Corporate Risk and Opportunity Register means the Council would be negligent in its responsibilities for ensuring accountability and the proper conduct of public business.
