## **Implications:**

This item has the following implications, as indicated:

### **Risk management**

Without the required knowledge and skills, those charged with governance and decision making may be ill-equipped to make informed decisions regarding the direction and operation of the Pension Fund.

The Training Policy seeks to apply best practice and to ensure compliance with guidance from CIPFA and the Pensions regulator. Failing to implement an adequate Training Policy and framework and to regularly review the effectiveness of training arrangements would place the County Council (as Administering Authority) at risk of non-compliance with the Pensions Regulator's Code of Practice No. 14 (Governance and administration of public service pension schemes) and the legislative requirements that this code interprets.

### **Financial**

Decisions made by the Pension Fund Committee have direct financial implications for the Fund. The Fund's Training Policy forms part of its governance and risk management arrangements which seek to ensure Pension Fund Committee and Lancashire Local Pension Board members are well-informed, confident, and knowledgeable participants who work effectively and consistently in the best interests of the Fund and its stakeholders.

Any cost associated with attendance, travel and subsistence associated with at conferences were met by the Pension Fund.
