Executive Summary

Proposals for the increase of Foster Care Allowance rates for 2018/19, in line with National Minimum Standards.

Recommendation

Cabinet is asked to approve the increase in the current scale of Foster Care Allowances, other than where specified, as set out at Appendix 'A'.

Background and Advice

In March 2009, the Cabinet Member for Children and Young People approved a fostering strategy, which amongst other things, agreed that the County Council's Fostering Allowances should be linked to the Government National Minimum Foster Care Allowances. This requirement is now enshrined in legislation.

In 2011, the Fostering Service introduced a new Tier based payment structure which allowed the county council to pay carers a range of different allowances which were dependent upon the level of skill, experience and service the carer was able to offer.

Tier 1 - payments are in line with the recommended National Minimum Standard
Tier 2 - payments provide an enhancement, currently £115 per week above Tier 1
Tier 3 - payments provide an enhancement, currently £230 per week above Tier 1
Tier 3+ - payments are negotiated on a place by place basis depending upon the complexity of the placement.

It is recommended that these payments are not amended for 2018/19. The Government National Minimum Foster Care Allowances have been updated for 2018/19, and it is proposed that the rates for Lancashire also be updated, to ensure that the requirements of the fostering strategy are maintained, and that the service meets regulatory requirements.

It is recommended that other allowances such as those for Holiday, Birthday, Religious Festivals and discretionary payments covering clothing and school uniform, all remain unchanged for 2018/19.

It is proposed that the enhancement element of the weekly allowances for Tier 2 and Tier 3 payments remain unchanged for 2018/19. Fostering Focus Fees and Specialist Allowances will also remain unchanged as these schemes are being phased out following the introduction of the new scheme.

Details of the above are set out at Appendix 'A'.

Consultations

N/A

Implications:

This item has the following implications, as indicated:

Risk management

No significant risk management implications have been identified; the estimated cost of this proposal will be met from within the Fostering Service budget.

Financial

The estimated cost of the proposals is £72,000 which has been provided for within the 2018/19 revenue budget.
