

## Children's Services Scrutiny Committee Work Programme 2018/19

The Children's Services Scrutiny Committee Work Programme details the planned activity to be undertaken over the forthcoming municipal year through scheduled Committee meetings, task group, events and through use of the 'rapporteur' model.

The items on the work programme are determined by the Committee following the work programming session at the start of the municipal year in line with the Overview and Scrutiny Committees terms of reference detailed in the County Councils Constitution. This includes provision for the rights of County Councillors to ask for any matter to be considered by the Committee or to call-in decisions.

Coordination of the work programme activity is undertaken by the Chair and Deputy Chair of all of the Scrutiny Committees to avoid potential duplication.

In addition to the terms of reference outlined in the [Constitution](#) (Part 2 Article 5) for all Overview and Scrutiny Committees, the Children's Services Scrutiny Committee will:

- Scrutinise matters relating to services for Children and Young People delivered by the authority and other relevant partners
- Review and scrutinise any matter relating to the planning, provision and operation of the health service in the area and make reports and recommendations to NHS bodies as appropriate
- Invite interested parties when reviewing any matter relating to the planning, provision and operation of the health service in the area, to comment on the matter and take account of relevant information available, particularly that provided by the Local Healthwatch
- Review and scrutinise any local services planned or provided by other agencies which contribute towards the health improvement and the reduction of health inequalities in Lancashire and to make recommendations to those agencies, as appropriate
- Take steps to reach agreement with NHS body, in the case of contested NHS proposals for substantial service changes
- Refer a matter to the relevant Secretary of State in the case of contested NHS proposals for substantial service changes where agreement cannot be reached with the NHS
- Refer to the relevant Secretary of State any NHS proposal which the Committee feels has been the subject of inadequate consultation

- Scrutinise the social care services provided or commissioned by NHS bodies exercising local authority functions under Section 31 of the Health Act 1999
- Draw up a forward programme of health scrutiny in consultation with other local authorities, NHS partners, the Local Healthwatch and other key stakeholders
- Acknowledge within 20 working days to referrals on relevant matters from the Local Healthwatch or Local Healthwatch contractor, and to keep the referrer informed of any action taken in relation to the matter
- Require the Chief Executives of local NHS bodies to attend before the Committee to answer questions, and to invite the chairs and non-executive directors of local NHS bodies to appear before the Committee to give evidence
- Invite any officer of any NHS body to attend before the Committee to answer questions or give evidence

The Work Programme will be submitted to and agreed by the Scrutiny Committees at each meeting and will be published with each agenda.

The dates are indicative of when the Children's Services Scrutiny Committee will review the item, however they may need to be rescheduled and new items added as required.
