

# CHAMBER LOW CARBON

HELPING BUSINESSES GO GREEN

## WHAT IS CHAMBER LOW CARBON AND HOW CAN IT HELP ME?

East Lancashire Chamber of Commerce and Industry, in partnership with North & Western Lancashire Chamber of Commerce, Businesswise Solutions Ltd and BOOST, are supporting Lancashire businesses in saving money and reducing their carbon footprint.

This £2m European part-funded programme is committed to the provision of a FREE suite of services aimed to help businesses improve energy and environmental efficiencies, introduce on-site renewable energy generation and save money.

## European Union

European Regional  
Development Fund

We're also here to help you if you are developing a new piece of low carbon technology and want to get it into the market, see it manufactured locally or find your dream customer.

Every business signing up to the project is entitled to free support in environmental and energy saving good practice and help in financing low carbon technology adoption, which will be delivered via a suite of masterclasses and 1-2-1 bespoke support.
