

Governance

Governance is the overall set of processes we use to run the Pension Fund. It forms a key part of a number of the other areas of focus within this plan but is also crucial in its own right.

Our objectives in this area are:

- To be open and accountable to our stakeholders for our decisions, ensuring they are robust and evidence based;
- To ensure that the Pension Fund is effectively managed and its services are delivered by highly motivated people who have the appropriate knowledge and expertise, and with access to appropriate systems;
- To deliver value for money, excellent customer service and compliance with regulatory requirements and industry standards where appropriate.
- Over the next three years we are aiming to undertake the following actions in this area :

Asset and Liability Management

Asset management is the process of achieving returns on the contributions to the Fund made by members and employers so ensuring that the money required to pay pensions is available when required. Liability management is the process by which the impact of changes in the value of the obligation to pay future pensions on the Fund is mitigated.

Our objectives in this area are:

- To ensure that resources are available to meet the Fund's liabilities through achieving investment performance at least in line with actuarial assumptions.
- To achieve full funding (i.e. no funding deficit) over a period no longer than the current recovery period.
- To achieve, as far as possible, stable employer contribution rates;
- To manage employers' liabilities effectively having due regard to the strength of each employer's covenant by the consideration of employer specific funding objectives.
- To maintain liquidity to meet projected net cash flow outgoings.
- To minimise irrecoverable debt on the termination of employer participation.
- To be a good asset owner.

Over the next three years we are aiming to undertake the following actions in this area:

Outcomes	Actions	Timeframe	Progress September 2018
Ensure effective cash-flow management to meet pension fund payments in the future	<ul style="list-style-type: none"> • Revised Investment Strategy implemented from 1 April 2018, which increases liquidity in the portfolio, Continue to monitor cash-flow throughout the plan. 	2018/19 and reviewed throughout Plan	Policy in place to manage some £70m in liquid assets by LCC's Treasury Management Team. Administration

Administration is the process through which the information required to maintain members' contribution records, collect contributions due and calculate and pay their benefits in an accurate and timely way is undertaken.

Our objectives in this area are:

- To deliver a high quality, cost-effective, user-friendly and informative service to all members, potential members and employers at the point where it is needed;
- To ensure that benefits are paid and contributions collected accurately and on time;
- To demonstrate compliance with all relevant regulatory requirements;
- To ensure that data is handled securely and used only for authorised purposes.

Those changes have been fully implemented by LPP. The freedom and choice options for AVC, which were included in the consultation, were not taken forward by the MHCLG in the final regulations. In addition the fair deal proposals were also not taken forward, however the MHCLG are still planning to proceed with this and will launch a separate consultation later this year.</p>

Communication

Communication is the process by which we ensure that Fund members and employers are aware of their benefits and of their responsibilities; and of the overall performance of the Fund. It is also the process by which we promote the benefits of the Fund.

Our objectives in this area are:

- To provide good pension information, promoting pensions in the workplace and to actively promote the Scheme to prospective members and their employers.
- To ensure transparency; building trust, confidence and engagement in pension saving as the norm, and ensuring that investment issues are communicated appropriately to the Fund's stakeholders.
- To communicate in an appropriate and direct way to all our stakeholders, treating them all fairly, achieving appreciation of the benefits of being a member of the Fund
- To ensure that our communications are simple, relevant and have impact;
- To deliver information in a way that suits all stakeholders, increasingly taking advantage of advances in technology.
- To treat information security with the utmost importance.

Over the next three years we are aiming to undertake the following actions in this area:
