Executive Summary

Full Council is asked to approve the appointment of the county council's representatives to serve on Transport for the North and Transport for the North Scrutiny Committee for 2019/20.

Recommendation

Full Council is asked to approve the appointment of one County Councillor to serve on Transport for the North and one County Councillor to serve on Transport for the North Scrutiny Committee for 2019/20.

Background and Advice

Transport for the North is the first statutory sub-national transport body in England and was constituted in April 2018 to make the case for strategic transport improvements across the North. It is a partnership of public and private sector representatives working with partners to develop and deliver strategic transport infrastructure. It brings together the North's twenty local transport authorities and business leaders together with Network Rail, HS2 and Highways England and works with central government.

In addition to the Board, Transport for the North is required to have a Scrutiny Committee, the purpose of which is to act as a focus for the scrutiny and challenge of its work, and for investigating matters of strategic importance to residents, those travelling within the combined administrative area covered by the constituent authorities, and other stakeholders.
