Executive Summary

In line with the county council's procurement rules this report sets out a recommendation to approve the commencement of the following procurement exercises:

- (i) Provision of local and school bus services in Lancashire.
- (ii) Lancashire Urban Development Fund Manager.
- (iii) Supply of asphalt materials.

This is deemed to be a Key Decision and the provisions of Standing Order C19 have been complied with.

Recommendation

Cabinet is asked to approve the commencement of the procurement exercises as set out in Appendix 'A'.

Background and Advice

Appendix 'A' sets out the detail of the individual procurement exercises and the basis upon which it is proposed to carry out the processes including:

- The description of the supplies/services being procured
- The procurement route proposed
- The estimated contract value
- The proposed basis for the evaluation of the tender submissions.

Where approval has been received from Cabinet to undertake a tender process which is deemed to be a Key Decision, the subsequent award of the contract on the satisfactory completion of the tender exercise shall not be deemed a Key Decision and can be approved by the relevant head of service or director.

Consultations

Relevant heads of service and key operational staff have been consulted in drawing up the proposals to undertake the procurement exercises included within this report.

Implications:

This item has the following implications, as indicated:

Financial

The estimated value of the contracts will be contained within the funding arrangements as set out in Appendix 'A'. If significant variations should result from this position a further report to Cabinet will be required.

Legal

Failure to take steps to procure new contracts lawfully and continuing with the current arrangements where applicable would contravene the council's procurement rules and the Public Contract Regulations 2015. Furthermore, failure to award the contracts may result in the county council facing difficulties in delivering services.
