

Naming of the Children and Young Peoples Care Homes

By the Children in Care Council and Care Leavers Forum

Introduction

We have been asked by Amanda Barbour to come up with some names for 5 children's homes across Lancashire.

As the participation groups we were asked because it is important to have our say as we might end up there one day. To make sure everyone has a voice and their views are heard. If young people are living there it makes sense to ask them.

Where our children live

- House 1: This house will be the short term home for 1 or 2 children, Crisis and emergency home, Clitheroe.
- House 2: This home will provide support to children to prevent them coming into care, 4 children will stay for weekends only, Accrington.
- House 3: This house will be the home for up to 4 children, Childrens Home, Chorley.
- House 4: This house will be the home for up to 4 children, Children's Home, Lancaster.
- House 5: This home will probably be for 3-4 children. Children's Home, Location TBC.

Through discussions, we talked about the different endings of the home names. We liked either home, house, lodge or manor to be used.
