5. Medium Term Financial Strategy Update 2024/25 - 2026/27

Cabinet considered a report on the medium term financial strategy update 2024/25 - 2026/27. The medium term financial strategy provided a forecast of the financial position for the county council for the next 3 financial years, and provided an update of the position and highlighted any changes since the last report to Cabinet in November 2023.

It was noted that the overall position reported was a forecasted financial deficit of £2.908m in 2024/25 with a projected surplus of £4.892m by 2026/27, compared to the position that was reported to Cabinet in November 2023 of a forecast deficit of £14.505m in 2024/25 increasing to £18.294m by 2026/27.

The county council's transitional reserve (currently standing at £165m at the end of 2023/24) would be utilised to bridge the 2024/25 funding gap and remained sufficient to allow plans to be developed over the coming years to continue to aim for a balanced long term sustainable budget. The transitional reserve also served a purpose going forward to allow modernisation and transformation of council services. All reserves were to be reviewed as part of the county council's forthcoming budget report including the General Reserve which currently stood at £23m representing 2.25% of net expenditure.

In relation to proposal GET007 on the introduction of on street pay and display parking across the county, it was confirmed that, following representations from district councils and the Scrutiny Management Board, consultation would take place with the district council Leaders, and that their views would be fully considered by Cabinet before any proposals were developed further or implemented.

Resolved: That

- i. The updated budget assumptions and changes to budget requirements for 2024/25, and following years' changes, included in the revised medium term financial strategy, be agreed;
- ii. A consultation be carried out with key stakeholders on the savings proposals in Section 3.6 of the report; and
- iii. The contents of the county council's reserves position be agreed.

6. Proposed Bus Stop Clearways in Longridge

Cabinet considered a report that proposed the provision of bus stops which are compliant with the Equality Act 2010 in Longridge. It was noted that the proposed bus stop improvements would provide a raised boarding area and accompanying clearway restrictions to allow buses to stop parallel to the kerb, providing inclusive accessibility to public transport in the area.

Resolved: That the proposed creation of 16 bus stops with clearway restrictions which are compliant with the Equality Act 2010, as set out in the report and in Appendices 'A' – 'E' of the report, be approved.

7. Schools Budget 2024/25

Cabinet considered a report seeking the approval of Cabinet to submit the Schools Block budget pro-forma and approval for the Early Years, High Needs and Central Schools Services Block budgets for 2024/25, in accordance with the Government's school funding Regulations and Guidance.

It was noted that Appendix 'B' of the report was circulated to Cabinet after the agenda publication and is attached to the minutes.

It was also noted that on page 78 of the agenda, under the Disability Access Fund heading, it should read 2024/25, instead of 2022/23.

Resolved: That, following consideration of the comments made by the Lancashire Schools Forum:

- i. The 2024/25 budgets for the Early Years, High Needs and Central Schools Services Blocks and local proposals for the High Needs Supplementary Grant allocation for 2024/25, be approved;
- ii. The Principal Accountant – Schools Finance be authorised to submit the final Schools Block budget pro-forma for 2024/25 to the Education and Skills Funding Agency by 22 January 2024, on the basis set out in the report;
- iii. Approval be given to the Dedicated Schools Grant Reserve underwriting the uncertainties around the 2024/25 Schools Budget; and
- iv. The decision be implemented immediately for the purposes of Standing Order C28(3) as any delay could adversely affect the execution of the county council's responsibilities. The reason for this is to ensure that the necessary pro-forma can be submitted to the Education and Skills Funding Agency by the required deadline of 22 January 2024.

8. Update on the School Place Planning Delivery Programme 2023-25

Cabinet considered a report that provided an update on the School Place Planning Delivery Programme 2023-25. It was noted that in October 2022, Cabinet approved the School Place Planning Delivery Programme 2023-25, which set out a series of projects to provide additional primary and secondary school places, where projected shortfalls had been identified. The proposal sought to provide these places through expansion of existing schools and the establishment of new schools. However, it was noted that since the inception of the 2023-25 School Planning Delivery Plan there had been a decline in birth rates nationally which was showing in the county council's primary school places forecasts. The report therefore provided an update on the current position of primary and secondary provision in Preston, and the new school at Whittingham Hospital.

It was also noted that Appendices 'A' and 'B' to this report were in Part II and were set out at Item No. 15 on the Agenda.

In presenting the report, the Cabinet thanked the schools and their governing bodies for working collaboratively with the county council.

Resolved: That

- i. The additional capital allocation for Lea Community Primary School, Preston, as set out at Appendix 'A' of the report, be approved;
- ii. The capital allocation for phase 2 of the Capital project to permanently expand Cottam Primary School, Preston by 1 form of entry for September 2024, as set out at Appendix 'A' of the report, be approved;

- vii. The Capital allocation for Christ the King Catholic High School, Preston to permanently expand the school by 20 places per year from September 2025, as set out in Appendix 'A' of the report be approved;
- viii. Approval be given for further consideration to the proposals set out in the 2023-25 School Planning Delivery Programme for the primary and secondary projects in Preston North, in response to the change in forecast data which had been impacted by the national downward trajectory of births impacting on reception numbers and the future trajectory of pupils, with revised proposals being brought to Cabinet as required; and
- ix. Following the outcome of the Whittingham Hospital consultation which provided a further option as set out in Appendix 'B' of the report, it was agreed that the Whittingham Hospital site remained the preferred option for delivering a two-form entry (420 place) primary provision in Preston, and approval was given for the acquisition of a further 1.33 hectares (3.29 acres) of land for the delivery of the preferred option.

9. Anaerobic Digestion at the Farington Waste Recovery Park
