Brief Summary

This report presents an application from a local organisation requesting £400 towards a road sign to identify turning to the local community centre from the Local Member Grants Scheme.

Recommendation

That consideration be given to the request for grant funding as set out in this report.

Detail

On 16 December 2021, Full Council approved the reintroduction of the Local Member Grants Scheme. Under the scheme, each county councillor has been given a specific budget which they can spend to enhance the economic, social, and environmental well-being of people who live in their division. Following the reintroduction, using powers in the Local Government and Public Involvement in Health Act 2007, the Leader of the County Council has authorised individual county councillors to take formal decisions on behalf of the county council.

For the financial year 2024/25, each county councillor has a budget of £2000. Each councillor can also carry forward a maximum of £200 that was unspent in the previous financial year. County Councillor Barrie Yates' total budget is set out in the financial section of the report.
